Graduate Diploma of Management
CRICOS Code 055560B

Duration 1.5 years full-time

Entry Requirements
>> Successful completion of an undergraduate degree or equivalent at a recognized university
>> Required proficiency in English (IELTS): Academic Band score of IELTS 6.0 for all bands

Program Outline
The Graduate Diploma of Management has been developed as both an entry point and exit point for the Master of Business Administration.

The program aims to prepare students to assume broad managerial responsibilities and to meet the immediate demands of a particular industrial or professional managerial setting; and to form a basis for further formal studies in management. This program also develops a strong foundation in management and communication, accounting, human resource management, economics and marketing as the base disciplines of management.

Career Opportunities
The Graduate Diploma of Management focusses on furthering and expanding the careers of current management professionals.

Program Structure
The Graduate Diploma of Management comprises 12 courses of study, representing 180 credit points

Knowledge Suite (students must complete all courses)
- Organisations: Behaviour, Structure, Processes
- Human Resource Management
- Marketing Management
- Accounting and Finance
- Creativity and Innovation
- Managerial Decision Making

Managerial Suite (students must complete all courses)
- Leadership
