Dear Student,

I am pleased to invite you to study with us. Our colleges offer a wide range of courses. Our teachers are dedicated and passionate with teaching experience at leading universities. They have business and industry experience - so they bring real-world experience into the classroom.

We are committed to quality education and student satisfaction. The underlying objective is to encourage you to attain your personal best and to develop the self-confidence that will give you a competitive edge.

At Academies Australasia, we also understand that being a student is more than just study and hard work. We are committed to providing our students with a challenging, rewarding and enjoyable learning environment. We provide a range of dedicated support services and actively work with our students to seek part-time employment in their chosen profession.

We understand that choosing a college is an important decision for you. Our team are available to assist you and your family in making this important decision.

If you see a course that interests you, I hope you will join us - to expand your knowledge and improve your career prospects.

WHY STUDY WITH US

UNIVERSITY PATHWAYS
Articulation and other arrangements are in place with several universities and other higher education providers. These enable our graduates of the Diploma and Advanced Diploma courses to be considered for advanced standing for their university studies – the savings in time and money can be substantial. Selection criteria may vary. Arrangements are also in place with professional associations which our students and graduates may join.

LONG HISTORY
Established in 1908 Academies Australasia has been operating for more than 100 years. It has a long and successful history in education – going back in excess of 50 years. Listed on the Australian Securities Exchange more than 35 years ago, it is Australia’s longest listed education group. Public listed status means that apart from having to meet the well regarded and carefully supervised standards of the international education market, our colleges must also comply with the strict financial and reporting regulations of the ASX.

HANDS-ON LEARNING
Hands-on experience is always an excellent way to complement and reinforce what is learnt in class. We continually seek opportunities to give students relevant practical experience. An example of this is the paid internship programme that our tourism and hospitality students enjoy in Singapore.

WELFARE AND STUDENT SUPPORT
We offer counselling services to assist students with academic issues as well as matters arising from adjusting to life in Australia. Where required, we can also arrange carers for students under the age of 18 years during their period of study or until they turn 18. It is the Colleges’ policy to assist students with special needs to ensure their comfort and convenience are optimised. We also provide students with a challenging and rewarding experience in a great learning environment. The colleges offer well equipped, modern classrooms, free wireless access and computer access in our student lounges.

QUALITY TEACHING
Quality is at the core of everything we do. Our courses are nationally accredited and are developed in partnership with industry and professional associations. Our teachers are dedicated and passionate with a strong commitment to quality. Some of them also teach at several universities.

STUDENTS FROM AROUND THE WORLD
Over the years we have had students from 116 countries and that number continues to grow. Our current student body of approximately 5,000 students includes students from all over the world. This diversity provides an interesting learning environment in which many racial, cultural and religious groups are represented.

WHAT WE OFFER
Our colleges offer courses that can give you a competitive edge to jump start your career. Follow the quick guide below to find the best course for you at your location of choice.

If you need to speak to one of our Student Advisors, please call +61 2 9223 1116 or email info@academies.edu.au

UNIVERSITY PATHWAY
Our colleges have arrangements with leading higher education providers. Courses are recognised for transfer credits at many Australian universities. Our graduates have successfully completed degrees and other programmes at institutions such as University of Sydney, University of New South Wales, Macquarie University, University of Technology Sydney, Charles Sturt University, Curtin University, University of Ballarat and Blue Mountains International Hotel Management School in Australia, as well as universities in other countries.

SAVE TIME AND MONEY BY FOLLOWING THE STEPS BELOW:

ESOS FRAMEWORK

Australia’s laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS Framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and the National Code.

COST OF LIVING

The Australian Government estimates that the average living costs for an international student is at least A$18,610. This pays for food, accommodation, telephone, gas, electricity, transport and entertainment. Your living costs could be higher or lower than this, depending on where you study and your lifestyle. For example, Sydney is generally more expensive than other cities or towns in New South Wales.

SCHOOL AGED DEPENDENTS

If you have school-aged dependents (i.e. unmarried children between 5 and 18 years old) accompanying you to Australia for more than three months you are required to ensure that adequate arrangements have been made for their schooling. Your dependents will be charged the full school fee if they are enrolled in either a government or non-government school.

WORK

As an international student you are permitted to work up to 40 hours per fortnight during academic terms and full time during holidays, provided that work does not interfere with your studies. You should ensure you are financially independent before coming to Australia.

ACCOMMODATION

Homestay is when you live with an Australian family in their home. The homestay family provides you with meals, laundry facilities and your own room with a study desk. You are usually asked to share some household chores. Homestay also gives you the chance to practise your English at home every day. This service can be arranged with your enrolment.

OTHER ACCOMMODATION

Hostels provide a friendly, safe, supervised environment. You get your own room or a shared room. Dining room, games room and television room are communal. Many hostels also provide meals.

Shared Accommodation gives you more freedom. You can share a room, house or apartment depending on your budget. Usually you’ll need to supply your own furniture. You also have to supply your own towels, pillows, sheets and blankets.

Studio apartments or one-bedroom apartments are smaller and less expensive to rent than larger apartments, but it is a good option if you are more independent and need your own private space.

HEALTH

Overseas Student Health Cover (OSHC) is compulsory for international students studying in Australia. What does OSHC provide?

- It covers international students for certain medical costs (e.g. doctor’s visits or admission to hospital).
- Extra cover is available for an additional fee.
- Serious medical problems should be treated before you come to Australia, since standard OSHC generally does not cover pre-existing medical conditions.

It is wise to read the OSHC policy with care to see if additional cover is needed.
Sydney is Australia’s most vibrant and cosmopolitan city. It is famous worldwide for its iconic landmarks, beautiful beaches, national parks, unique lifestyle and friendly locals. Sydney also has become a very popular choice for overseas students wanting to balance a high standard of education with a healthy and active lifestyle.

MODERN AND SAFE
- Cosmopolitan and friendly lifestyle
- Safe environment
- World-class recreation, transport and telecommunications facilities

ADVANCED DIPLOMA OF MANAGEMENT

— DANILO MEDEIROS, BRAZIL
WHY STUDY WITH US
Academies Australasia Polytechnic (AAPoly) provides direct entry into the University of Ballarat’s Higher Education programmes in Business, Commerce, Management and Information Technology delivered at our CBD campus in Melbourne as well as AAPoly’s own Bachelor of Tourism and Hospitality Management (BTHM).

The BTHM was developed by experienced academics and industry professionals. This programme prepares you for an effective starting career in Tourism and Hospitality, with a strong emphasis on case-based learning that is built progressively through the three years of study. Key features of this programme are the arrangement of visiting lecturers who are industry practitioners, to share their knowledge and experiences and field trips that help students gain a current understanding of the tourism and hospitality environments. The BTHM prepares you for an entry level management position in either a tourism or hospitality organization. You will also gain sufficient knowledge and practice to start a small business in a related industry.

UNIVERSITY OF BALLARAT (UB)’S
The University of Ballarat is a modern university with its main campus located in Ballarat in regional Victoria. The University was first established in 1870, as the School of Mines, Ballarat, making it the third oldest tertiary institution in Australia with over 130 years of tradition and excellence. AAPoly is a University of Ballarat Partner Provider Institution and offers a range of undergraduate and postgraduate programmes under contract to the University. This partner provider contract between the UB and AAPoly involves UB controlling the quality of the courses and conferring the qualifications, whilst AAPoly provides the facilities, lecturers, tutors and student services. The curriculum of UB programmes delivered at UB Partner Provider Institutions is the same as the main campus at Mount Helen in Ballarat. All academic staff teaching UB programmes at AAPoly are approved to teach by UB. Students are enrolled as UB students and upon successful completion, are awarded the UB degrees.

SMALLER CLASS SIZES
We offer smaller class sizes so you don’t get lost in the crowd. Every student feels welcome and is part of a lively team focused on achieving the best academic results.

COMPETITIVE PRICING AND EXCELLENT STUDENT SUPPORT
The tuition fees at AAPoly are competitive for both the BTHM as well as UB’s programmes (due to UB’s regional university status). During the semester, international students needing extra English language support have access to ELICOS teaching staff for help. Final year students (who studied 2 years or more) are eligible for 20 hours of free IELTS preparation classes, to help them achieve higher band scores.

You may fast track and complete the programmes in a shorter timeframe if the relevant subjects are offered:
- A 3-year (6 semesters) Bachelor degree in 2 years
- A 2-year MBA or Master of Commerce postgraduate programme (4 semesters) in 1.5 years
- A 1.5-year MBA/MFA in 1 year
